hi. this is all i can find on the
internet about it. Where to find
serial number on Polaris Ranger?
Whenever corresponding about a
Polaris RANGER utility vehicle, be
sure to refer to the vehicle
identification number (VIN) and
the engine model number and

□ Jul 10, 2013. Did a quick search on Polaris 651 code and Polaris XP 651 code and came up with an injector issue: Manual says it is Injector 1 (MAG) (SDI PART LOAD) Driver Circuit Grounded. Sounds like you may have one that's gone bad! Polaris should replace it w/o any questions - and it's a quick thing to ...

How To Fix 2011 Polaris Ranger Error Codes Tutorial

I have a 2012 that codes out to 651-5. Mag side injector. Took it to dealer last week but they couldn't get it to come again. Had it out today with fresh fuel and after a hour or so it coded. Falls to about half power and then cleans up. Other times it's on to the point of a solid engine light. Anyone experience this before? Thanks
