Appendix. As a starting point for thinking through any legal or political reform that might be needed, the RSA set out to learn more about the nature of Britain ' s gig economy. In collaboration with Ipsos MORI, we undertook the largest survey on the gig economy in Britain. A nationally representative sample of 7,656 people in the population over the age of 15 were surveyed face-to-face, meaning that they were interviewed in their homes, rather than online.
