Contagion is the first Batman event to take place after Batman: Knightfall, Vol. 1 (My personal favorite Batman event of all time) and is also really what should be considered as the beginning of Batman No Man's Land. By that I mean that Contagion begins a downfall for Gotham City that culminates in No Man's Land.

A mysterious and lethal virus is unleashed on the unknowing inhabitants of Gotham City, causing excruciating pain—and ultimately death—within 48 hours of contact. Batman, Robin and Nightwing must race to contain the chaos while finding a cure—with the help of unlikely allies Azrael, Huntress, Catwoman and Poison Ivy.

### Batman: Contagion by Chuck Dixon, Paperback | Barnes & Noble®

Batman: Contagion is a crossover story arc in the Batman comics taking place after the Knightfall Saga and before No Man's Land. A plague has come to Gotham and Batman and his allies must race to find the cure. The premise sounds interesting, but the execution itself is average at best.

### Batman: Contagion (Collected) - DC Comics Database

In Hollywood two movies, 12 Monkeys and Outbreak, were released within months of each other and dealt with the subject of viral outbreaks. All these events would plant a germ of inspiration into the minds of comic book writers, and in 1996 we would see the result take shape in a Batman story called "Contagion."
