Betrayal in Antara Review For gamers willing to tolerate substandard graphics and linear gameplay, Betrayal in Antara succeeds in providing an enjoyable role-playing experience.

Betrayal in Antara Review - GameSpot

Betrayal in Antara has a fully developed storyline designed to involve the player at the detailed human level and focuses on the trials and tribulations of the main character in such a manner that a certain suspension of disbelief is possible. This is adventuring at the gut level and, for the most part, the game pulls it off quite nicely.

Betrayal in Antara for the PC The combat system is nearly identical to that in Krondor, but with a few more options. It's a turn-based affair, where you decide who to attack and how. The system works well, and is only annoying when the characters are powerful and have to face creatures that pose no threat or danger.
