The Common Application is a widely used application that allows students to apply to many undergraduate universities in the United States. With the Common App, your student can apply to as many schools as they choose to without having to submit separate applications to each school. There are few exceptions though.

## *Guide to the Common Application - askversed.com*

Introducing the Common Application The Common App originally came into being in 1975, when 15 private colleges began considering the repetitiveness of college application procedures. In the days of paper applications, filling out separate forms for each college by hand made applying to more than a few colleges a huge amount of work.
