JP says that he received a telepathic communication while at a residence about 10 outside of Orlando, Florida where he was told to go outside and look up into the sky.

Goode and Smith then went on to describe how the human looking extraterrestrials were able to blend into societies all over the planet: Corey: What was interesting is: in the Intruder, Intercept and Interrogation program, only about 10% to 15% of the beings that we processed were what we would call “alien-looking”. Emery: Right.
