This is the third book in this Vampire Detective series, it starts where the previous book left off. In this book, Lucy and her guys work towards finding alternative solutions to the many situations they face. The author's writing style is good and her world-building paints vivid pictures in your mind as you read.

A New York Times bestselling love story between a vampire and a werewolf by the creator of the enormously popular Sarah's Scribbles comics. Elsie the vampire is three hundred years old, but in all that time, she has never met her match. This all changes one night in a bar when she meets Jimmy, a charming werewolf with a wry sense of humor and a fondness for running wild during the full moon.
