Proteau (Oregon State University

**Journal of Natural Products - Wikipedia**  
JNP has always been a popular journal for natural product chemistry, plusit is hosted by the American Chemical Society and is more popular among contributors.In recent years, the impact factor has been increasing year by year, so I feel that the journal's requirements for submission are relatively stricter.If you are a natural medicinal chemistry professional, there is a JNP feeling that is good For the speed of reviewing, it is not necessarily fast to see the reviewer's situation.
