UPDATE: MEG: Angel of Death: novella has been released as an ebook and audio. The LOCH: Heaven's Lake – I am about 75% finished and will push to finish the first draft in the fall. It's a fun read with Angus Wallace back to his old games. Everyone who pre-purchases before September 2020 will receive a signed book (from me,, not a machine).

This is a fantastic addition to the Meg Series, the story is extremely well written as you would expect from Steve Alten. The only draw back to this audiobook is the fact that the rest of the Meg series is not available on audiobook here, also the inclusion of Vostok and the Loch would also be a great addition as it would tie in characters from Nightstalkers. Well worth the investment A+++
