Support - Peavey Electronics

Peavey's KB 100 amplifies signals from keyboards and similar instruments. Offering multiple input channels, it gives professional musicians the ability to use up to three keyboards at once while also supporting external effects processors and other sound modifiers.

Peavey KB 100 Amp Specs / Our Pastimes

Read Book Peavey Kb100 User Guide

This Peavey KB100 amp is by far the most talented, all around amp I own, and I own a lot of amps (lol). Fantastic for my keyboards as well as Bass and guitars. It doesn't matter what my guests bring over to play, because they can always plug into this beauty and just plain jam. I will never sell it.
