The Phonetic Zoo | Institute for Excellence in Writing
This package contains the 8.5" x 5.5" Phonetic Zoo Lesson Cards that accompany Institute for Excellence in Writing's Spelling curriculum. Lesson cards contain all three levels of words on each card; students should work through all the words in their level (A, B, or C) before continuing on to the next. Cards have a single punch in the corner for easy threading onto a (not-included) metal ring. These are perfect as a replacement pack or for additional students using the same curriculum.

Excellence in Spelling: The Phonetic Zoo -
Christianbook.com

The phonetic zoo cards are great for review. We taped them onto our whiteboard, which is on the wall, and used them to remind my daughter of certain phonics chunks that we have covered. Instead of me telling her how to spell a word, she can now go to the whiteboard and figure out how to spell most words on her own.
