Craftsman is a line of tools, lawn and garden equipment, and work wear. Originally a house brand established by Sears, the brand is now owned by Stanley Black & Decker. As with all Sears products, Craftsman tools were not manufactured by Sears during that company's ownership, but made under contract by various other companies. They were first sold in 1927 through the Sears catalog and in Sears retail stores. After the Sears-Kmart merger, the tools were also for sale in Kmart stores and through s

Most common Sears parts that need replacing on Craftsman riding lawn mowers and lawn tractors. Air filter. The air filter prevents abrasive particles from entering the engine's cylinders, which could cause mechanical wear and oil contamination.; Alternator. The alternator is a set of wire coils under the flywheel of the engine that generates electricity to power the tractor when it's running.
