The legend of Saint George and the Dragon tells of Saint George taming and slaying a dragon that demanded human sacrifices; the saint thereby rescues the princess chosen as the next offering. The narrative was first set in Cappadocia in the earliest sources of the 11th and 12th centuries, but transferred to Libya in the 13th-century Golden Legend. The narrative has pre-Christian origins, and is recorded in various saints' lives prior to its attribution to St. George specifically. It was particul

SLAYING THE DRAGON is a comprehensive look at media stereotypes of Asian and Asian American women since the silent era. From the racist use of white actors to portray Asians in early Hollywood films, through the success of Anna May Wong's sinister dragon lady, to Suzie Wong and the '50s geisha girls, to the Asian-American anchorwoman of today, this fascinating videotape shows how stereotypes of exoticism and docility have affected the perception of Asian-American women.

In Slaying the Dragon: Mythmaking in the Biblical Tradition, Bernard Batto argues that biblical authors, like other ancient Near East authors, used mythic traditions in composing their works. Batto joins massive evidence with masterful argument to show that myth actually lies at the heart of the theological enterprise of the biblical authors.
