Representing the most extensive research on public employment, these two volumes explore the radical changes that have taken place in the configuration of national public services due to a general expansion of public employment that was followed by stagnation and decreases. Part-time employment and the involvement of women also increased as a component of the public sector and were linked to the most important growth areas such as the educational, health care and personal social services sectors. The two volumes that make up this study shed important insight on these changes. Volume 1 offers a unique internationally comparative multi-dimensional analysis of ten public service systems belonging to different families of major advanced western countries. It contains the most comprehensive and comparable quantitative analyses available anywhere of ten public service systems; Britain, New Zealand, Australia, Canada, the US, Germany, Spain, France, Denmark and Sweden. Volume 2 is a comprehensive analysis of the ten public service systems, with in-depth comparisons of the systems along eight dimensions including central-regional-local government employment proportions and the change of the services since the 1950s with respect to social composition (gender, minorities, elites, career groups). Scholars and professionals in the fields of public administration, politics and economics will find this two-volume compendium informative and practical.

100 recipes arranged by season, The Soup Sisters Cookbook gives you heartwarming soups to prepare and share throughout the year. The Soup Sisters Cookbook showcases scrumptious recipes from the "souper volunteers" of the Soup Sisters and recipes from many of Canada's top celebrity chefs--including Michael Stadlander, Bonnie Stern, Lucy Waverman, Massimo Capra, Anna Olson, Michael Bonacini and Elizabeth Baird. With 100 recipes arranged by season, The Soup Sisters Cookbook is certain to appeal to soup-lovers everywhere! Soup Sisters are a Calgary-based non-profit enterprise founded in 2009. They are dedicated to making a tangible difference to the lives of women and children in need. Soup Sisters believe in the power of soup and the nutrition, comfort and warmth that the gift of soup can bring. This belief has resonated quickly and profoundly with communities across Canada, who come together through their local Soup Sisters events to cook, share and donate soup, to women's shelters in their community. The Soup Sisters' growing network has over 4,500 supporters, who collectively donate over 8,000 bowls of soup every month--over 75,000 bowls of soup have been donated to date.

The guarantee of free speech enshrined in the U.S. Bill of Rights draws upon two millennia of Western thought about the value and necessity of free inquiry. Acclaimed legal scholar George Anastaplo traces the philosophical development of the idea of free inquiry from Plato's Apology to Socrates to John Milton's Areopagitica. He describes how these seminal texts and others by such diverse thinkers as St. Paul, Thomas More, and John Stuart Mill influenced the formation and the earliest applications of the First Amendment. Anastaplo also focuses on the critical free speech implications of a dozen Supreme Court cases and shows how First Amendment interpretations have evolved in response to modern events. Reflections on Freedom of Speech and the First Amendment grounds its vision of America's most basic freedoms in the intellectual traditions of Western political philosophy, providing crucial insight into the legal challenges of the future through the lens of the past.

Law in the United States, Second Edition, is a concise presentation of the salient elements of the American legal system designed mainly for jurists of civil law backgrounds. It focuses on features of American law likely to be least familiar to jurists from other legal traditions, such as American common law, the federal structure of the U.S. legal system, and the American constitutional tradition. The use of comparative law technique permits foreign jurists to appreciate the American legal system in comparison with legal systems with which they are already familiar. Chapters in the second edition also cover such topics as American civil justice, criminal law, jury trial, choice of laws and international jurisdiction, the American legal profession, and the influence of American law in the global legal order.

After a lifetime in the bright lights and the big city as a prima ballerina, Katherine Bell has finally returned home to her small, snowy town where the weather might be frightful, but her friends and family are delightful. She's ready for a quiet life using her skills and knowledge to help her community. But things aren't as simple as she hoped. There's a blizzard outside, a daredevil girlfriend in her house, and a persistent, sexy Australian called Jack Riley who needs to be kept at arm's length. And something sinister has stalked her to her snowy hideaway...

Is your job just a way to pay the bills? Are you a drudge Monday through Friday only so you can be more yourself on Saturday? It doesn't have to be this way! Never before in history has there been such an eclectic variety of money-making opportunities and cutting-edge vocations than there are in today's marketplace. There is no need to settle! And when you find the career that fits your personality, you'll discover that the work hours you once begrudged with every fiber of your being now bring you tremendous satisfaction and success. Career Match contains the ten-minute self-assessment that can change your life! After a simple quiz to determine your personality style, turn to the

corresponding chapter that reads as if it was written just for you and discover what ideal work options there are for you. In this invaluable resource for all personalities: Identify career choices that will exhilarate you Recognize the type of work environment and boss you need to thrive Learn to leverage your natural strengths Customize and speed your job search This second edition has been updated to include trending new careers in areas such as gaming, web design, alternative energy, cybersecurity, food science, and more. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The story of a German immigrant and a San Antonio miller

In this study, W. J. Waluchow argues that debates between defenders and critics of constitutional bills of rights presuppose that constitutions are more or less rigid entities. Within such a conception, constitutions aspire to establish stable, fixed points of agreement and pre-commitment, which defenders consider to be possible and desirable, while critics deem impossible and undesirable. Drawing on reflections about the nature of law, constitutions, the common law, and what it is to be a democratic representative, Waluchow urges a different theory of bills of rights that is flexible and adaptable. Adopting such a theory enables one not only to answer to critics' most serious challenges, but also to appreciate the role that a bill of rights, interpreted and enforced by unelected judges, can sensibly play in a constitutional democracy.
