The Power of Financial Confidence Among Women The year 2020 marks the 100th anniversary of the 19th amendment, the landmark change to the U.S. Constitution that granted women the right to vote. The amendment was the result of tireless activism by women like Elizabeth Cady Stanton, Lucretia Mott and Susan B. Anthony – names now synonymous with the women's rights movement.

The Power of Financial Confidence Among Women  
She learned about being financially confident the hard way – by digging her family out of over \$100,000 in unsecured credit card debt – and now uses what she's learned about personal finance to help men and women live debt-free. Her latest book, The Financially Confident Woman, empowers women to take charge of their finances and learn the nine habits of financially confident women.
