(PDF) The Globalization of Beauty: How is Ideal Beauty ...

Globalization is a two-way process, and although traditionally Western beauty standards continue to dominate, traditionally Asia beauty products and practices are also entering the mainstream. Products such as facial masks and beauty fads involving rice and seaweed are increasing in popularity as well.

Exploring the Globalization of Beauty Standards ...

While these stereotypes held true in the past, globalization is changing traditional notions of beauty. Many societies are now valuing an "international" standard of beauty, as propagated by international beauty contests. Who decides what is beautiful? Societies often develop norms that are reinforced by cultural industries.

Is Beauty Globalized? | Globalization101

The globalization of beauty ideals has enabled the existence of international supermodels of various ethnic backgrounds. In a world where beauty standards are defined on a cultural or regional basis, models are only popular and targetable to a very limited group of people who value the standards that the model's beauty reflects.

The Globalization of Beauty

Rossini's work focuses on issues of social justice, media representation, and the empowerment of women and girls. Her most recent film is the critically acclaimed documentary The Illusionists, about the globalization of beauty ideals, which Rossini shot in eight countries, across four continents. The film has been featured in Vogue Italy, New York Magazine, Mic, Indiewire, Fox45 and WBAL (NBC Baltimore).
