Tornado Boys is the latest in the ever-popular Boys series, and differs from earlier titles. With the introduction of female pilots to the RAF in 1994, the Tornado was among the first aircraft to be flown by both men and women. This is acknowledged in the book with a chapter written by one female pilot.

~~Tornado Boys (Audio Download) - Amazon.co.uk: Ian Hall~~...

Tornado Boys. The book starts in the 1970s with stories from operators of the Tornado as a Cold War nuclear deterrent and with tales of later hot wars as seen by operational leaders in both Gulf conflicts and in Kosovo. There are also stories of Scud hunting in Iraq and of Red Flag exercises in the US, as well as of a stunning competition victory over the USAF's Strategic Air Command in their own backyard.

~~Tornado Boys - The Aviation Bookshop~~

In Tornado Boys, there are stories of Scud hunting in Iraq and Red Flag exercises in the US, along with the tale of a stunning competition victory over the USAF's Strategic Air Command in their own backyard. The short-lived anti-shipping role is not neglected.

This book is a fantastic tribute to the Panavia Tornado and the RAF personnel who worked with it. It's also a great retrospective on the author's 13 year fast jet flying career in the RAF. Now in the twilight of its service, the Tornado was a critical component in NATO's defense of western Europe during the Cold War.
