Wagashi are sweet Japanese confections made from bean paste. Similar to marzipan, the paste can be sculpted into gorgeous little shapes inspired by the season. Making wagashi is not hard, but can be time consuming and requires a bit of practice to master the techniques. As you might expect from a traditional Japanese discipline, you can spend your whole life making wagashi and never reach ...

What's also interesting about wagashi is the part it plays in the traditional Japanese tea ceremony. The focus of the ceremony isn't really about making tea, but about the aesthetically-pleasing manner in which the Teishu (tea host) prepares it. Moreover, it's important to make guests feel welcome in accordance with the season.

Candy Store

The term Wagashi was born during the Meiji era (1868-1912), during the era of rapid modernization and westernization. Like how Washoku (和食) was a term to distinguish from foreign food cultures, Wagashi – wa (和 Japanese) and kashi/gashi (菓子 sweets) – was born. Ready for More? The traditions of Wagashi still lives on to the present day.

Wagashi – Traditional Japanese Sweets | Asia Highlights

Wagashi are traditional Japanese cakes known also as “art of the five senses.” With their beautiful design, delicate sweetness and pleasant taste, they offer layer-upon-layer of enjoyment. One by one, each little cake sets a seasonal scene - fish swimming in a clear stream; an atrium of stars shining in the night sky; a sparkling, sunlit shore and so on.
